Interests

BOOKS
Reading broadens your knowledge by opening up the whole world to you.I like reading books fantasy,travel,IT and sociology.

HITCHHIKING
Hitchhiking is a fantastic experience. There is something intoxicating about sticking out your thumb and seeing where the road takes you.

MOUNTAIN TREKKING
Hiking to place where you can feel free.

FILM MUSIC
I like listening to music all genre music but especially movie music.This it great pleasure to listeing and watching best movies on live concert

COMPUTER GRAPHIC
In free time Interesting webdesign and photo manipulation
